43300 Seven Mile Road
Northville, MI 48167

DRY-BRICK™, MORSET® and MORTARD® E do not contain any recycled content (pre or post consumer). These products are manufactured in Milwaukee Wisconsin. This information may be helpful as the distance between the manufacturing point and the project is a factor in determining whether LEED credits can be obtained.

I trust this information will be helpful to you. If you need further assistance please feel free to contact me.

Sincerely,

Neal T. Jablonski
Technical Services Manager
Grace Masonry Products
