

ARVRON, INC.

EXPANDED POLYSTYRENE

4720 CLAY AVE. S.W., GRAND RAPIDS, MI 49548

(616) 530-1888

June 8, 2009

This letter is to certify that Arvron, Inc. uses only 100% recycled expanded polystyrene in our ground EPS, used for masonry block fill. This recycled EPS comes from locations less than 120 miles away. It has an approximate R-Value of 4 per inch. Please contact us at 616 530-1888 if you have any questions.

Sincerely,

Doug Heyboer
President, Arvron, Inc.
