

Cell Vent

Insertable weep/air

Product Description

Dimension:

□ Modular (3/8" X 2-5/8" X 3-5/8")

□ Utility (3/8" X 3-5/8" X 3-5/8")

Finish:

- Standard (Clear/Translucent)
- Gray
- Brown
- Red
- Ivory

Uses:

- To weep moisture at flashing locations
- Near the top of cavity wall construction it allows air pressure equalization.

Advantages:

- Aesthetically pleasing
- Colors to closely match mortar joints
- Promotes positive drainage
- Durable (less prone to pulling out like mesh weeps)
- Allows air movement
- Helps to keep bugs out
- Economical
