

**Used NON STOP Scaffolding 10 Sets - 140 Feet total -27 ' High
\$6500 Or Best Offer**

10 Sets of NON STOP scaffolding 140 Feet total length - each section can be extended to 27'

Included with the sets is: custom made racks, custom ratchets, all accessories such as tie downs, leg levelers, braces, tools wing nuts, and more. Also included are several 16' 2x12 boards.

This new would be close to 40K new. It is in good condition and in good working order. This is very heavy duty and the best scaffolding you can buy. Just needed for one project now I don't need it.

Buyer will need to arrange pickup with a forklift & heavy trailer.

Located in Excelsior, Minnesota 55331

Thanks for looking, call or email with any questions.
