

Used Non-Stop Scaffolding & Trailers For Sale

8 base units that's enough to go 42 feet in length with enough add ons to go 32 feet in height with all the braces angle braces of course.

24 standard mason frames.

There is an 8 foot by 5 foot double pad lock tool box on the trailer.

One hundred gallon fuel tank for diesel. The trailers are 8' x 20'

One is a flatbed and the other one is a dove tail and also a new 250 gallon water tank.

I'm just looking for a fair price. New everything was close to 60 k. Great shape.

Asking \$15,000

Located in Chesapeake, VA
